Interview
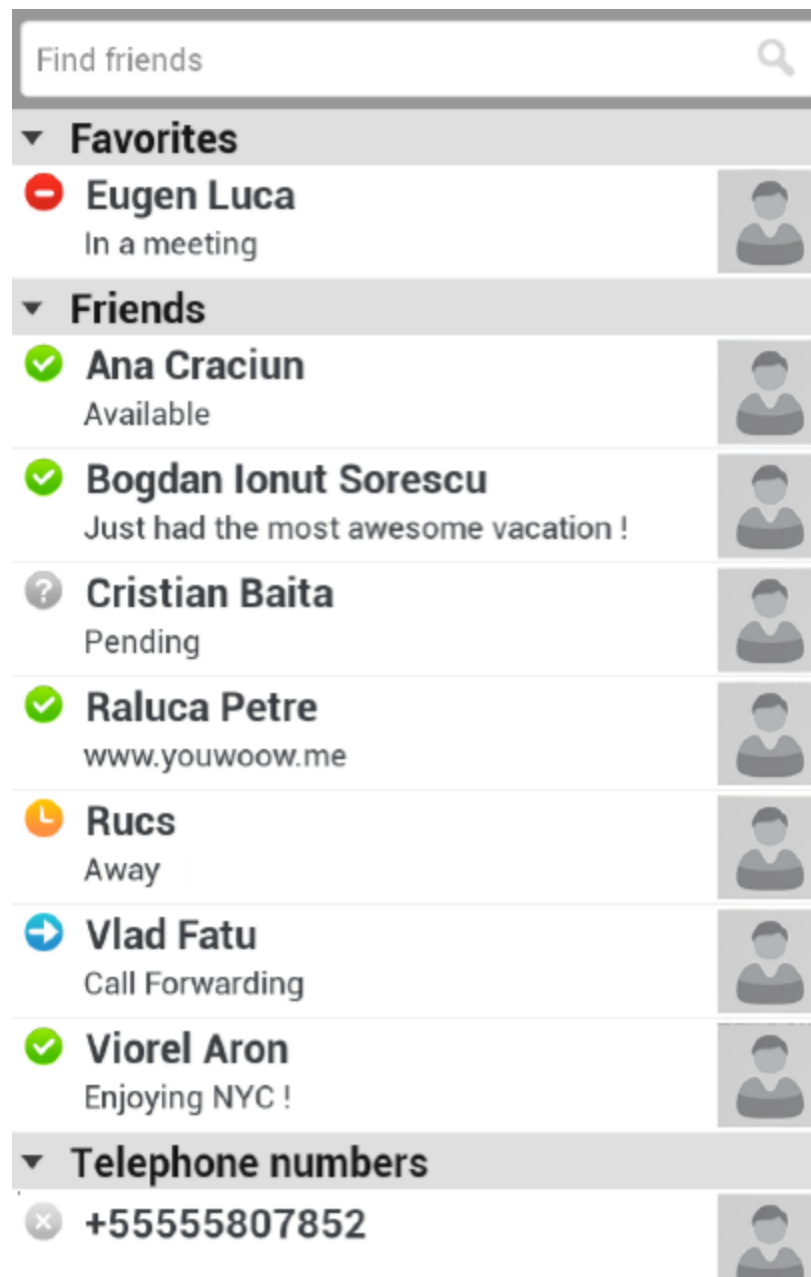

Requirements:

Create an application with a single activity that resembles the image below

There should be a list of people organized in groups. Each person has the following information:
- First Name
- Last Name
- Status Icon – {online, away, busy, offline, call forwarding, pending}
- Status Message
- Avatar –"contacts_list_avatar_unknown.png" should be used here

Retrieve the data to populate the list from the following link:
https://file.wowapp.me/owncloud/index.php/s/F5WttwCODi1z3oo/download?path=%2F&files=contacts.json
You will find a .json with information about the people in the roster and the groups they are in.

NOTE:
- **All the resources required for this practical test can be found here:**
https://file.wowapp.me/owncloud/index.php/s/F5WttwCODi1z3oo/download?path=%2F&files=iOSTest.zip
- **Fonts are not required.**

- **Colors that were not provided are not important.**

Recommended Environment:
- Android Studio

- Desired language: Java

- Latest Android SDK

- Android device or emulator

- Android OS version newer than 4.3
